

From our Formulary:

Rose Clay & Marula Oil Facial Cleanser

The Rose Clay & Marula Oil Facial Cleanser is a luxurious, gentle, creamy face cleanser packed with natural skincare benefits. We have loved formulating with our new clays, and this cleanser is no exception! Marula has long been treasured in African culture for its nutritional benefits for both skin and hair. This cream cleanser is a beautiful soft pink color, and is perfect for those times you want to harness the toning and detoxifying effects of a clay mask, but only have time for a quick rinse.

1. Add water to main container and begin moderate to high speed agitation. Sprinkle in Bentonite Clay, begin heating to 75-80°C (167° – 176°F), mix well for a minimum of one hour.
2. In a separate container premix Phase B, add premix to main container with water and Bentonite Clay. Continue mixing and heating to 75-80°C (167° – 176°F) for a minimum of one hour.
3. Add Phase C ingredients individually into the main container, mixing well after each addition.
4. In a separate container heat Phase D ingredients to 75-80°C (167° – 176°F). Continue mixing and heating until wax is completely melted and phase is uniform. When both the main container and Phase D are 75-80°C, slowly add Phase D to main vessel with good mixing. Begin cooling to room temperature.
5. When your Cleanser reaches below 30°C (86°F), add Silverion 2400 to the main container, mix well. If needed adjust the PH to below 7 with Lactic Acid.
